

WEANING

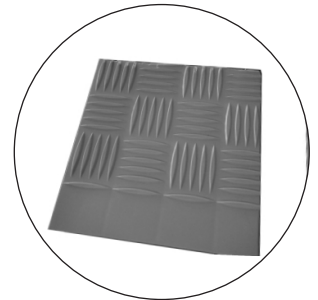

Plastic and cast iron floor

Removable plastic floor & galvanised wire slats

Full slat floor

Non-slip floor

+ ITS PLUS POINTS

- Optimisation of labour
- Less movement of livestock
- Easy cleaning
- Better growth and less stress for piglets
- Folding plastic handle
- Butterfly hatch, pit access
- Plastic floor: durability, comfort
- Plastic & cast-iron floor: two distinct zones: plastic, more comfortable for lying down and cast-iron for eliminating slurry
